#### Scottish Highland Dress – Hire Package

Tartan is historically part of the national dress for Scotland – it was a roughly woven fabric using natural plant dyes from areas occupied in the Highlands. Each Clan or family name had their own tartan or affiliated tartan, with variations of Ancient, Hunting, Modern, Dress and Weathered colourways.

However, now many people, although not associated with a clan or family, like a particular colourway and honour the Scottish heritage by wearing the outfit with a sense of pride.

We have brought together a selection of tartans to choose from with a self-measurement form to complete should you wish to dress in Scottish national attire.

Tartans available –

Black Watch – Modern Douglas – Modern Robertson – Flower of Scotland – Royal Stewart – Dress Gordon – Hunting Stewart – Spirit of Bannockburn

These can be viewed on my Facebook page – Richard Mackay Tailoring.

The complete package includes –

- Kilt
- Jacket
- Waistcoat
- Sporrان
- Belt
- 2 x Shirts and a Bow Tie
- Flashes and Skean Dhu
- Socks and Shoes

The total cost of the package for the duration of the event is £165.00.

## Where in the World? By Paul Thomas

Did you know that IAATI has members in Trinidad and Tobago? Well we do, we have two members based there - Martin and Robert.

Have you ever needed a contact in Belarus, Kenya or Malaysia? Yes, we also have members there as well.

In fact we have over 3,100 members in 66 countries throughout the world.

While IAATI is currently working to expand our membership base throughout Asia, you can see from the following map that we have members in most parts of the world. These are people you can turn to for assistance with your investigations.

To find details of an IAATI member in another country simply:

Go to our website [www.iaati.org](http://www.iaati.org)

1. Click the *Account* button in the header of the home page and log in.
  2. Once you have logged in, click the *Search* button in the header.
  3. An orange coloured panel will open where you can either search the entire site or search for members.
  4. To search for members click the blue *Member Search* button.
- The best way to search is to then click the '+ *Further options*' link. This will enable you to filter your search by a large number of data items including 'Home country'.

Alternatively, you can access this search feature from the Membership page of the website. Simply select 'Search members' from the submenu on the right side of the Membership page. Remember, as this tool is only available to financial members, you can only search for members once you have logged into your account.
