Scottish Highland Dress – Hire Package

Tartan is historically part of the national dress for Scotland – it was a roughly woven fabric using natural plant dyes from areas occupied in the Highlands. Each Clan or family name had their own tartan or affiliated tartan, with variations of Ancient, Hunting, Modern, Dress and Weathered colourways.

However, now many people, although not associated with a clan or family, like a particular colourway and honour the Scottish heritage by wearing the outfit with a sense of pride.

We have brought together a selection of tartans to choose from with a self-measurement form to complete should you wish to dress in Scottish national attire.

Tartans available –

Black Watch – Modern Douglas – Modern Robertson – Flower of Scotland – Royal Stewart – Dress Gordon – Hunting Stewart – Spirit of Bannockburn

These can be viewed on my Facebook page – Richard Mackay Tailoring.

The complete package includes –

- Kilt
- Jacket
- Waistcoat
- Sporrans
- Belt
- 2 x Shirts and a Bow Tie
- Flashes and Skean Dhu
- Socks and Shoes

The total cost of the package for the duration of the event is £165.00.

Did you know that IAATI has members in Trinidad and Tobago? Well we do, we have two members based there - Martin and Robert.

Have you ever needed a contact in Belarus, Kenya or Malaysia? Yes, we also have members there as well.

In fact we have over 3,100 members in 66 countries throughout the world.

While IAATI is currently working to expand our membership base throughout Asia, you can see from the following map that we have members in most parts of the world. These are people you can turn to for assistance with your investigations.

To find details of an IAATI member in another country simply:

Go to our website www.iaati.org

1. Click the *Account* button in the header of the home page and log in.
2. Once you have logged in, click the *Search* button in the header.
3. An orange coloured panel will open where you can either search the entire site or search for members.
4. To search for members click the blue *Member Search* button.
The best way to search is to then click the '+ *Further options*' link. This will enable you to filter your search by a large number of data items including 'Home country'.

Alternatively, you can access this search feature from the Membership page of the website. Simply select 'Search members' from the submenu on the right side of the Membership page. Remember, as this tool is only available to financial members, you can only search for members once you have logged into your account.

Award Nominations...

The IAATI Merit Award Committee
International Association of Auto Theft Investigators

Dear IAATI Members

It has been identified during recent discussions that there has been a deficiency in nominations being submitted for consideration to the Merit Award Committee. As we are all aware our law enforcement officers and investigators of the like are experiencing some very difficult and harrowing times in being able to conduct their everyday business. The nature of contact with the community is becoming more difficult to navigate due to the ever-changing climate of community contact being experienced by police, whether this be through police interactions with offenders and or perceptions held by the general community when dealing with police and other enforcement investigators.

The Merit of Award and other award nominations are a time for IAATI as an organisation to be able to acknowledge the skill, professionalism and hardship in investigating offences in today's climate of digital technology, media and prosecutorial restrictions. It is a forum for us to honour the time taken to investigate these offences, and in many cases, the impingement on an officers/unit's own work life balance that effects not just them but their families as well.

I would like to request that any or all awards that are nominated at a branch/chapter conference be submitted for consideration to the merit awards committee. We as a committee are committed to the process of reviewing these nominations and are honoured to acknowledge the exceptional work being undertaken by our law enforcement.

In 2015 Detective Senior Constable Catherine Horton from the Australasian Branch was successful in receiving the Merit of Award. Her testimonial to the value of receiving this award: *'It was a surprise and an honour to stand in front of a room full of experienced hard-working law enforcement officers, and other like investigators, from around the world who face the same hardships as we do in Australia every day. This award was an acknowledgement to me of the time and hard work I put into this investigation and renewed my faith in what I do every day, thank you'*.

Even if you are unsure if a particular nomination fits the criteria of a merit award please do not hesitate to submit it for consideration as we are more than willing to assess the nomination and make a determination if it fulfils the criteria, and if necessary, forward it to the right award category for consideration.

If you have any further questions or wish to discuss the merits of this request please do not hesitate to contact the merit award committee to discuss further.

Yours sincerely
IAATI Merit Awards Committee
