NMVTIS Law Enforcement Guide

The American Association of Motor Vehicle Administrators (AAMVA) and the Bureau of Justice Assistance have completed a NMVTIS Law Enforcement Guide tri-fold to use for educating and training Law Enforcement Investigators. The guide provides the Law Enforcement Investigator with valuable information on NMVTIS including:

- How Law Enforcement obtains access to NMVTIS;**
- Types of businesses required to report to NMVTIS;**
- How the businesses report to NMVTIS;**
- How to verify a business is registered to report to NMVTIS;**
- Explains the penalties for a business not reporting to NMVTIS;**
- Provides information for the NVMTIS data consolidators; and**
- Provides the information on how to report an NMVTIS violator.**

AAMVA has made the guide available for viewing or downloading from the Law Enforcement section of the vehiclehistory.gov website. The new NMVTIS guide will be a new tool that should help IAATI members educate themselves and train their own agency's officers on this federally mandated program.
