Hello!

We are excited to invite you to join the **International Association of Auto Theft Investigators Southeast Chapter (SEIAATI)** for our **52nd Annual Vehicle Crimes Conference and Vendor Expo**, taking place **June 7–11, 2026, in beautiful Doral, Florida**.

This conference brings together investigators, professionals, and industry leaders from across the country to share expertise, build connections, and explore the latest solutions in preventing and investigating vehicle-related crimes. With your company's valuable products and services, we would love to see you participate as a **sponsor, exhibitor, or donor**.

As a trusted global non-profit association, SEIAATI is known for delivering **top-notch training, unbiased education, and professional support** to those working in vehicle crime prevention, detection, investigation, and prosecution. Our annual conference is the highlight of the year—where public and private sector professionals meet with experts and companies like yours to collaborate and exchange ideas.

We welcome sponsors and exhibitors from a wide range of industries, including **law enforcement, vehicle loss prevention, transportation, financial services, public safety, cybersecurity, social media investigations, and more**. Your support not only provides high-quality training opportunities for our attendees, but also offers **direct access to an engaged audience** interested in learning about your products, services, and expertise.

By joining us, you'll gain:

- A chance to **showcase your brand** to professionals nationwide
- **Networking opportunities** with SEIAATI members and conference attendees
- **Increased visibility** through our marketing and promotional efforts
- A meaningful partnership with an organization recognized across the U.S. as a **trusted authority in vehicle crimes investigations**

Inside this prospectus, you'll find all the details about how to get involved. If you have any questions, please don't hesitate to reach out—we're here to help.

We truly hope you'll join us in Doral for what promises to be a **dynamic, informative, and memorable event**.

Warm regards,

**The SEIAATI Conference Team**

*Thomas Bowen, Jr.*

2<sup>nd</sup> Vice President, SEIAATI  
Program Chairman

## Conference Overview

The 52nd Annual SEIAATI Training Seminar will take place June 7–11, 2026, at the Trump National in Doral, Florida. This premier event brings together a wide range of professionals and experts in the fight against vehicle crimes, including leaders in law enforcement, insurance, automotive, manufacturing, document crime, data analysis, and anti-human trafficking. Attendees will benefit from transformative training sessions, cutting-edge insights, and exceptional networking opportunities with peers from across the Southeast and the United States.

Building on the success of our 2025 conference, which welcomed over 400 attendees, the 2026 seminar is set to be even more impactful.

To support and engage with this dynamic community, the Conference Committee has developed a suite of sponsorship opportunities designed to maximize visibility and impact. Sponsorship packages can be tailored to align with your company's goals and budget, ensuring a meaningful presence and valuable connections with key audiences.

## About Our Parent Organization IAATI

The International Association of Auto Theft Investigators (IAATI) was formed in 1952 to improve communication and coordination among the growing family of professional auto theft investigators. It has become recognized as the foremost authority regarding vehicle crimes with more than 3,000 members in 50 countries. IAATI recognizes that our most effective weapon to combat vehicle crimes is cooperation. IAATI actively pursues this by providing its members with an array of training and resources in areas such as technical developments, trends, intelligence information, and investigative assistance. Through IAATI, we can pool resources to achieve common interests and better serve our communities. IAATI is dedicated to developing and encouraging the highest professional standards of conduct among investigators, while providing an infrastructure for dedicated individuals to broaden their knowledge and develop crucial business networks with local and international colleagues.
